

Sports - Fan

Waco offers a full day for sports fans. You'll learn about Texas sports figures, and get a first-hand look behind the scenes of a new state-of-the-art stadium.

10:00 am Texas Sports Hall of Fame

After you've had your "Breakfast of Champions" you'll be ready to move on to the tour of champions at the Texas Sports Hall of Fame. Texas was the first state to have its own sports hall of fame, and it is a winner. TSHOF Features exhibits about Texas athletes and sports, ranging from scholastic to professional teams, and

covering sports from tennis, auto-racing, boxing, Olympians, track, golf, basketball, and more. Of course no sports attraction in Texas would be complete without football! You'll find a Heisman Trophy, and an amazing exhibit about the Southwest Conference and its teams. In 2016, the Nolan Ryan Museum moved to Waco and is included at the Texas Sports Hall of Fame.

12:30 pm Lunch Time

Take your hungry team to Coach's XXX Smoke for some great local barbecue. After years as coaches and educators, including weekends spent trying to outdo each other on their BBQ pits, the proprietors decided to share their cooking skills with the rest of us. You'll enjoy fantastic barbecue, big screen TV's, and a fun atmosphere.

2:00 pm Campus Driving Tour

Let your lunch settle while you enjoy a drive around the Baylor Campus. Be sure to include the Ferrell center, the bear habitat, the bridge to the new McLane Stadium, and the new track complex.

3:00 pm McLane Stadium Tour

Take a 90 minute guide tour of McLane Stadium - home of the 2013 & 2014 Big 12 Champion Baylor Bears. The tour includes the Baylor Bears' Locker Room, Recruit Lounge, Post-Game Interview Room, Press Box, Baylor Club and field access. Make sure your camera batteries are charged. You'll want to take a lot of photos!
